

## Product Data

**NORTH**

### The “Pancake” series of P100 filters (75FFP100 & 75FFP100NL)

**75FFP100**

**N750035**

#### Product Description:

The North Pancake series are flexible and low profile P100 respiratory filters. They are designed to fit in different tight places. The pancake series provide respiratory protection against aerosole, dusts, mists, fumes, fibres and other particulates up to 0.3 microns of size.

Product Number	Description	Order Multiples	Case Quantity	Case Dimensions	Case Weight
75FFP100	P100 Pancake particulate filter	50 pairs	50 pairs	10" X 24.8" X 7.5" 25.4 X 19.1 X 63 cm.	4.4 lbs. 2 kg.
75FFP100NL	P100 Pancake particulate filter with Nuisance level relief of OV, AG and Ozone	50 pairs	50 pairs	10" X 24.8" X 7.5" 25.4 X 19.1 X 63 cm.	4.4 lbs. 2 kg.
N750035	Adapter for Pancake P100 particulate filters	24 units	24 units	4" X 6" X 8" 10.2 X 15.2 X 20.3 cm.	1.2 lbs. 0.55 kg.

#### Product Certification:

The Pancake series is approved by the **NIOSH** standard, to be used with the North full-face and half-masks (5500, 7700, 5400, & 7600 series). These pancake filters can be used alone on the masks or in conjunction with the North chemical cartridges (*except 75SC defender series*) by the use of the N750035 adapter. **Refer to the NIOSH approval labels for the specific NIOSH combination number.**

# Product Data

## The “Pancake” series of P100 filters (75FFP100 & 75FFP100NL)

### Product Certification:

The North Pancake series is classified by NIOSH as **P100** particulate filters. These filters offer 99.97% protection efficiency against oil and non-oil base particulates and aerosols. Besides, the 75FFP100NL also offers Nuisance Level relief of Organic Vapour, Acid Gases, and ozone. Nuisance Level is defined as concentrations below the Permissible Exposure Limit.

### Product Characteristics:

Material:	<b>75FFP100:</b> Polypropylene composite filtration media with Polypropylene separators
	<b>75FFP100NL:</b> Polypropylene composite filtration media with Polypropylene separators with impregnated carbon layer
	<b>N750035:</b> EPDM Rubber and polypropylene.
Colour:	Magenta as per NIOSH (75FFP100 & 75FFP100NL) Black (N750035)

### Country of Origin:

Made in USA

### Material Declaration:

We declare that the materials and processes used in the manufacturing of this product are not known to cause harmful effect to the wearer. However, it is the user responsibility to do the proper tests for the specific application.

### Disclaimer:

### Warranties:

North products are covered by and subject to the terms and conditions of the North Safety Products Limited Warranty that appears in our annual price list. The North Safety Products Limited Warranty is the only written warranty of any force and effect, and all other written warranties are disclaimed in their entirety. In no event shall North Safety Products or any of its authorized dealers be liable for any damages in excess of the purchase price of the relevant product. This limitation applies to damages of any kind, including but not limited to direct or indirect damages or other special, incidental, exemplary or consequential damages, whether arising out of the use or inability to use the product, even if we or any of our authorized dealers has been advised of the possibility of the damages or any claim by any other party. Servicing of any product with parts not approved by us will void the warranty and may result in loss of any certification or approval applicable to the product.
