

Turbo

CSA[®] Certified Collection

ARIAT
WORK

6" CSA H2O in Rich Brown

100% non-metallic

Energy Max[™] insole cradles the foot and dissipates pressure for superior comfort

Non-metallic Carbon Safety toe is lighter weight than traditional safety toes

DRYShield[™] construction with waterproof full-grain leather

Direct attach construction for lightweight flex

Puncture resistant, metal free SWEN-FLEX[®] insole board

90° heel

Oil- and slip-resisting dual density PU/TPU outsole provides maximum wear resistance with long-lasting cushion and rebound

These high performance work boots deliver incredible cushioning support for all-day comfort on hard surfaces. Turbo CSA is lightweight, flexible, puncture resistant and features Ariat's DRYShield[™] construction for the ultimate protection from wet conditions. This collection is ASTM F2413-18 M/I/C EH PR rated and certified to CSA Standard Z195-14 with Grade 1 toe protection, protective sole protection and electrical shock resistance (ESR) protection.
