T5750 & T5850 Tornado F5 series

T57505B

T57505BS

Product Description:

The Tornado F5 series of safety glasses is a great looking eyewear. It combines extreme stylish look with comfort and fit. This series has a unique dual lens style in a single piece lens design. T5750 comes with curved temple arms and T5850 comes with straight temple arms. Lenses are protected through the unique 4A coating (except for mirror). T5750 & T5850 Tornado F5 series is ideal for general work applications where style, comfort, fit and high-impact are of importance.
