## Plastic brackets for Face-shields (CP5005, CP5006, CP5007 & CP5007SP)

CP5005

CP5006

CP5007SP

### Product Description:

This series of plastic brackets is especially made to install face-shields on hard hats. When properly installed, these accessories offer a safety attachment on hard hats by the use of universal tabs going into any slotted hard hat. These brackets offer good chemical resistance without neglecting impact protection. Besides, CP5007 & CP5007SP models offer high heat resistance and high tenacity.
