WOMEN’S FOOTWEAR

At KEEN Utility, we build our women's safety footwear on a woman's specific last. Now, women in industrial occupations no longer have to sacrifice fit for function—you can buy a work boot with all the same great features of men’s boots but designed specifically around a woman’s foot.

WOMEN'S SIZING AVAILABLE
5–11 (½ through 10) M, W
All KEEN Utility styles are EH-Rated to ASTM standards unless identified as ESD.
